Product Description

Toro GrandStand® HDM 32" Stand-On Mower - 74532

- Great visibility for easy navigation around obstacles, protecting the operator, mower, and property.
- The 7 gauge TURBO FORCE® deck with the i-beam front end is built to last and backed by our impressive warranty.
- Horizon360® Business Management Software. Work More Efficiently. Run More Profitably.
- Compact for access to more yards, exceptional maneuverability, and easy storage and trailering.
- Mow more in less time without the fatigue that comes with operating a small walk-behind mower.
- Get the job done 3x faster than a 21-inch walk behind mower.**

**Disclaimer: Ground coverage via wider cutting path and enhanced speed of 32" GrandStand Compact vs 21" Heavy Duty mower and will vary due to mowing conditions.

- Redesigned hood flips up for easy maintenance and cleaning.
 - Trim close without damaging landscape structures or your chute.
 - Lift and lock the rear cover into place to easily check and fill both engine oil and hydro fluid.
-
