Product Description

TD100 highlights

- Designed for speed, convenience and reliability
- The economical, no-frills tedder you've been searching for
- Fast drying time for higher-quality forage

Speed up your dry down with six double tines on each basket to help gently pick up a small quantity of forage, flip it and lay it back on the ground without damage or ash.

Maximize durability and experience a smooth ride with the 16-in x 6-in (40-cm x 15-cm) tires.

Get your hay off the field sooner by achieving a quicker dry down.

Minimize ash content in your hay and wear on the machine with toolless pitch adjustment that allows you to set the proper pitch adjustment.
