Product Description

STIHL KM 111 R KombiMotor

Tackle yard projects with ease with the KM 111 R KombiMotor. Part of the STIHL KombiSystem of multi-tasking tools, this model features a powerful, low-emission engine with a large fuel tank that provides 30% longer run times than the previous model. Professional landscapers looking for power and versatility will like the KM 111 R and its semi-automatic choke lever, one-touch stop, and improved air filter extending service life and replacement intervals. Plus, the KM 111 R is compatible with up to 14 interchangeable attachments, allowing you to operate and power up multiple tools with one KombiMotor while saving on fuel and maintenance.

The STIHL KombiSystem is a versatile landscaping system that includes a powerful STIHL KombiMotor and a full line of attachments. Together, they give landscaping professionals the ability to tackle a tremendous range of outdoor tasks without loading the trailer with a pile of tools. Attachments include trimmers, blowers, hedge trimmers, edgers, pruners, cultivators, and more. Each attachment slides into the KombiMotor effortlessly and is secured via a quick-release coupling system, saving you time as well as trailer space.
